

MERCEDES-BENZ BKK: EXTRA SERVICES EXCLUSIVELY FOR YOU

- **Check-up for those under the age of 35** (★)
We reimburse costs of up to €30 every two years.
- **Supplementary breast cancer screening via palpation examination (discovering hands)** (★)
We cover the costs of this special breast examination by blind women for up to €60.
- **Hautkrebsscreening** (★)
With us, it is possible for anyone under the age of 35 to have an annual skin cancer screening paid for up to €25. From the age of 35, in addition to the statutory screening, we also reimburse up to €25 every two years. We will be happy to advise you on this.
- **Online skin check via TeleClinic app** (★)
The online skin check provides you with an initial specialist assessment and treatment recommendation.
- **Cancer prevention for men under the age of 45** (★)
We contribute up to €15 per year.
- **PSA test for men aged 20 and over** (★)
We reimburse up to €20 per year to policyholders aged 20 and above.
- **Osteopathy** (★)
With a doctor's certificate, you can claim osteopathic services if the treatment is medically suitable and quality-assured. We will cover 80 percent of the costs for up to six quality-assured osteopathy sessions (maximum of €60 per treatment) per calendar year, i.e. up to €360.
- **Vaccinations** (★)
We'll cover the cost of vaccinations required by law as well as any vaccinations recommended by a doctor. If you need to be vaccinated before travelling abroad, we will cover the costs.
- **Family Doctor+ trusting care** (★)
The special program for care by your family doctor. Your family doctor will receive more money and will have more time for you thanks to the simple processes involved. Further advantages include free preventive care and shorter waiting times at the practice, as well as evening appointments for working people.
- **Mercedes-Benz BKK RückenPlus program** (★)
This program is aimed at helping those with back, shoulder, hip, and knee problems. All you have to do is get a certificate from the company doctor confirming that you have a medical need. Training takes place in small groups under professional supervision. Participants receive an individual programme for home use and an accompanying workbook with a home exercise plan, including exercise videos.
- **Homeopathic remedies and naturopathic treatment** (★)
We cover the costs of initial and follow-up homeopathic medical histories, analyses and consultations with doctors who participate in our special care contract. We will reimburse up to a total of €100 per year for many non-prescription drugs used in homeopathy, phytotherapy, and anthroposophy that are available only from pharmacies, provided they were prescribed by a doctor on a private prescription.
- **Activity weeks and Well-Aktiv programs** (★)
Health & lifestyle programs for preventative health care in top health resorts! We pay up to €200 toward your stay.
- **Quality-assured health-care courses** (★)
Keep yourself fit and we'll pay 90 percent of the course fees, up to a maximum of €150 per course.
- **100 PRO AKTIV bonus program** (★)
We will reward you and your family if you complete various health-enhancing measures and activities within a calendar year. You will receive €10 for adults and €5 for children per completed measure.
- **Personal nutrition counseling** (★)
We will support you with individual nutrition counseling if you require a special diet due to a medical condition.
- **Quick help for mental stress** (★)
We support adults, young people and children with a range of services and offer them help to help themselves. If you are unsure which service is right for you, we will be happy to advise you individually – either by telephone or in person at our customer centre.
- **7Mind mindfulness app** (★)
The mindfulness app 7Mind shows you ways to achieve greater peace and serenity in your professional and private life. It offers over 1,000 meditations and relaxation exercises, as well as several prevention courses. Mercedes-Benz BKK policyholders can use the premium version of this app free of charge for twelve months.

- **Selective tariff, premium reimbursement** (★)
(premium payment)

You will be reimbursed up to one month's contribution, retroactively for the year 2026, amounting to €610.31, if you have not made use of any services other than preventive care and health promotion measures.

- **Second opinion extra for shoulder, hip and knee joint operations** (★)

Endoprosthetic surgery (i.e. joint replacement) on the hip, knee or shoulder is not always the only option. It may be advisable to seek a second opinion. This will enable you to make an informed decision about which course of treatment you would like to pursue. We will cover the full cost of the care provided.

- **Specialist appointment service** (★)

If you need a (faster) appointment with a specialist, you can call the appointment service on **+49 711 49 09 12 00**, Monday to Friday from 7 a.m. to 10 p.m. Online around the clock. Our service complements the patient service provided by the Association of Statutory Health Insurance Physicians (KV). You can also use the KV patient service by calling **116 117** or online at **116117-termine.de**.

- **Health telephone +49 711 49 09 11 11** (★)

On this number you can reach a team of experts around the clock – even at weekends and on public holidays – who will provide you with competent and reliable advice on all medical questions.

- **Online doctor via TeleClinic app** (★)

There are illness-related situations in which a digital doctor's appointment can be a useful addition to a visit to the doctor's surgery. The digital service includes general practitioner and specialist services via an app – personal, convenient and independent of time and place.

- **Podcasts and videos** (★)

Based on the theme of "Do something for yourself", we provide entertaining tips on the topics exercise, relaxation, and nutrition.

- **Supplementary insurance**

Take advantage of the enticing options offered by **Mercedes-Benz Versicherungsservice**.

Our extras for your pregnancy

- **Medications for pregnant women** (★)

We cover costs for non-prescription proprietary medicines containing the active ingredients iron, magnesium and/or folic acid and available only from pharmacies if prescribed by a doctor.

- **Prenatal classes for partners** (★)

We will reimburse up to €50 per year for the attendance of your partner if he/she is insured with us.

- **Midwife standby service** (★)

For each pregnancy, we grant a subsidy of up to €250.

Being insured with us is worth it!

In the case of a four-person family, you can easily end up with a **cost benefit of over €1,000** in the year via the use of the extra services.

Calculate your individual benefits directly online with our **"Vorteilsrechner"**.

It's quick and easy to become a member online

- **Fertility treatment** (★)

In addition to the legally regulated cost sharing, we assume further costs arising from the treatment plan.

- **Toxoplasmosis test** (★)

We reimburse the cost for a toxoplasmosis test during the early stages of pregnancy. If there is no sign of immune protection, we will also carry the cost of another two tests at up to €30 per test.

Our extras for your family

- **Baby bonus** (★)

Parents will receive up to €200, if they insure their newborn with us. Just proof that the mother underwent all preventive medical checkups during the pregnancy and that the baby has undergone neonatal examinations U1 and U2.

- **Home assistance** (★)

You can apply for help with the cost of home assistance if you are unable to run your household due to a serious illness. Our benefits exceed the legal requirements.

- **Online vision training "Playing to See Better" for children with amblyopia** (★)

This innovative vision training on the computer screen is an optimal supplement when the standard therapy – masking the healthy eye in order to train the weaker eye the weaker eye (occlusion) – does not produce satisfactory results.

- **Preventive medical checkups U10, U11, and J2** (★)

We offer a €50 subsidy for each of these examinations.

- **Zahnversiegelung** (★)

For children and adolescents between the ages of 6 and 17, we subsidise the sealing of milk molars 4 and 5 and permanent (small) molars 4 and 5 with a maximum of €7.50 per tooth.

Equal opportunities, diversity, openness and respect are among our core beliefs. All the terms used in this publication include all genders and identities.
